

VANITY Eyebrow Threading Anti Bacterial Cotton Thread – Pack of 10 Rolls

Description

VANITY Eyebrow Threading Anti Bacterial Cotton Thread – Pack of 10 Rolls

Achieve perfectly shaped eyebrows with **VANITY Eyebrow Threading Anti-Bacterial Cotton Thread – Pack of 10 Rolls**. Made from **high-quality, skin-friendly cotton**, this thread is specially designed for **safe, smooth, and precise hair removal**. The **anti-bacterial coating** ensures hygiene, reducing the risk of skin irritation, redness, or infection.

Ideal for **eyebrow shaping, upper lip, forehead, and facial hair removal**, this pack of 10 rolls is perfect for **salon professionals, parlors, and home use**. Strong, durable, and gentle on skin – a must-have for beauty care.

Advantages:

- **Anti-Bacterial Cotton Thread** – Safe & hygienic for all skin types
- **Smooth & Precise Hair Removal** – Perfect for eyebrows & facial hair
- **Strong & Durable Quality** – Doesn't break easily during use
- **Professional Salon Standard** – Trusted by beauty experts
- **Pack of 10 Rolls** – Long-lasting & value for money
- **Gentle on Skin** – Minimizes irritation, redness & rashes

How to Use:

1. Cut a suitable length of **VANITY Eyebrow Thread**.
2. Tie both ends to form a loop.
3. Twist the loop in the center 6-8 times.
4. Hold with fingers and roll over unwanted hair to remove.
It can be used for **eyebrows, upper lips, forehead, and facial hair**.
